presents

O'CAMP 2018

Friday 16th - Sunday 18th February

Orientation Camp is the **best** way to kick-start your new Uni life!

Party all weekend, meet new friends, fight for victory, dance all night and remember it for the rest of your life! By the time you get to Orientation Week, you'll find that instead of standing in a crowd of strangers, you'll be surrounded by friends!

Orientation Camp is open to all first year students of **ANY University of Melbourne** course. The camp lasts three days from Friday 16th February to Sunday the 18th and is held at Licola Wilderness Village.

It can be heard from angels whispering from distant mountaintops that this is the best O'camp Melbourne Uni has to offer, plus one of the longest running. All non-campers will be brimming with jealousy when you reveal your "this one time, on O'camp" stories.

Join our Facebook event for more info and to have a little spy on your leaders and other campers!

What you need to do...

Step 1: Forms

Numbers are limited, with a strict 'first come, first served' policy – so you better get your application in early! Please fill in ALL details on both the '**Application Form**' and the '**Participant Information Form**' and send them both to:
